LETTER REQUESTING CHANGE OF CORRESPONDENCE ADDRESS

May 11, 2005

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

It is noted that the USPTO is continuing to send documents concerning
the subject application to Malcolm J. Romano in Los Angeles, California.

As indicated in our letter of January 12, 2005, this is incorrect.

The correct address for correspondence in the subject application is set
forth below the signature appearing at the end of this letter.

It is urgently requested that the records in the subject application be
corrected and correspondence be correctly sent to the undersigned.

To facilitate these matters, a change of correspondence document is further attached hereto.

Respectfully submitted,

Michael J. Striker

NOTICE OF PUBLICATION OF APPLICATION

The above-identified application will be electronically published as a patent application publication pursuant to 37 CFR 1.211, et seq. The patent application publication number and publication date are set forth above.

The publication may be accessed through the USPTO's publicly available Searchable Databases via the Internet at www.uspto.gov. The direct link to access the publication is currently <http://www.uspto.gov/patft/>.

The publication process established by the Office does not provide for mailing a copy of the publication to applicant. A copy of the publication may be obtained from the Office upon payment of the appropriate fee set forth in 37 CFR 1.19(a)(1). Orders for copies of patent application publications are handled by the USPTO's Office of Public Records. The Office of Public Records can be reached by telephone at 703-605-4283 or (800) 972-6382, by facsimile at (703) 305-8759, by mail addressed to the United States Patent and Trademark Office, Office of Public Records, Alexandria, VA 22313-1450 or via the Internet.

In addition, information on the status of the application, including the mailing date of Office actions and the dates of receipt of correspondence filed in the Office, may also be accessed via the Internet through the Patent Electronic Business Center at www.uspto.gov using the public side of the Patent Application Information and Retrieval (PAIR) system. The direct link to access this status information is currently <http://pair.uspto.gov/>. Prior to publication, such status information is confidential and may only be obtained by applicant using the private side of PAIR.

Further assistance in electronically accessing the publication, or about PAIR, is available by calling the Patent Electronic Business Center at Pre-Grant Publication Division, 703-605-4283.
